Power, wireless and wired internet will be available to each individual seated in the media tribune. GAMEDAY MEDIA SERVICES: Flip cards, stats and game notes will be available prior to the start of the Makers Wanted Bahamas Bowl in the main press areas. Complete box scores and play-by-play will be distributed to the media at the end of each quarter. If you need a box score emailed to your news organization, make a request to a Communications staffer.

PHOTOGRAPHERS/VIDEO: Makers Wanted Bahamas Bowl photo credentials must be visible at all times. Bowl organizers will adhere to the NCAA's sideline control policy, which states that:

Sideline photographers are restricted outside the 25-yard lines in the areas designated and are reminded to stay behind the dotted restraining line around the field. No media personnel, including journalists, radio and television personnel or their equipment, shall be in the team area or coaching box.

POSTGAME INTERVIEW POLICY: Following a 10-minute cooling-off period, postgame interviews will take place in the Media Center in the Thomas A. Robinson National Stadium. Only individuals displaying proper credentials will be permitted in the interview area. Security will be posted in these locations and will not allow anyone to obstruct entrances. The runner-up head coach and two student-athletes will go first, followed by the winning institution's head coach and three student-athletes. The game's Offensive and Defensive Players of the Game are required to attend as part of their team's student-athlete contingent. The Prime Minister's Trophy will be presented to the championship team along with awards to the offensive and defensive players of the game on field immediately following the game.

The cooling-off period for the runner-up team begins when the head coach enters the locker room immediately after the game. The winning head coach and student-athletes must proceed directly from the field to the interview room after the postgame trophy presentation unless requested for a short interview (not to exceed four minutes) by ESPN. Both teams' locker rooms are closed to the media.

Regardless of any personal regular-season radio or television contracts, the coach is first obligated to the entire media staffing the Makers Wanted Bahamas Bowl and must report to the interview room immediately after the 10-minute cooling off period. The coach cannot delay a postgame interview with the covering media to conduct a program for a single radio, newspaper, or television reporter unless requested to grant a short interview (not to exceed four minutes) by ESPN. After fulfilling the commitment to the entire media covering the game, the coach and student-athletes may participate in special interviews.

HELPFUL HINTS FOR THE MEDIA

PASSPORTS: The Makers Wanted Bahamas Bowl reminds all media that all U.S. citizens coming to the Bowl must have a valid United States Passport for the time of travel. It is possible to secure passports on short notice, but costs will be much higher for the individuals involved and delays in receiving passports are possible during the holiday season. For information on how to obtain a U.S. Passport, visit passports.state.gov. For obtaining an expedited passport in a hurry, visit travel.state.gov/content/travel/en/passports/apply-renew-passport/hurry.html.

UNITED STATES EMBASSY: The United States Embassy in the Bahamas is located at **42 Queen Street** in Nassau. The American Citizen Services Unit stands ready to help American citizens in The Bahamas – and their loved ones – in emergency situations. American citizens overseas, of course, remain subject to the laws of the country they are in. The American Citizens Services Unit can assist in areas, including: illness/injury, lost/stolen U.S. Passport, arrest/detention, victims of crime, etc.

In case of emergencies involving the death, injury, welfare, or arrest of an American citizen in The Bahamas, please call **242-322-1181**, ext. 1 during business hours (8 a.m.-5 p.m., Monday-Thursday; 8 a.m.-3:30 p.m., Friday), or **242-322-1181**, ext 43111 at all other times. (Please note that the Duty Officer who answers this number will not be able to assist with visa or routine passport matters.) The U.S. Embassy website is bs.usembassy.gov.

CELL PHONES/INTERNET: The Makers Wanted Bahamas Bowl staff reminds media that cell phone roaming rates for voice and data usage in the Bahamas can be extremely high per minute. All participants should check with their cell-phone service provider for pertinent information on current international/roaming rates. Phones can be used in “Airplane Mode” in the Bahamas (no data usage) in order to use phone cameras, etc. Atlantis Bahamas has WiFi in rooms (free)/some public areas (daily fee if not staying at Atlantis). Calling cards for public phones located in the resort can be purchased at the Atlantis. You can also use apps like Facebook Messenger, WhatsApp, etc. while using WiFi.

CURRENCY: The legal tender is the Bahamian dollar, which is equivalent to the U.S. dollar. U.S. currency is accepted throughout the Bahamas, as are most major credit cards and traveler’s checks. ATMs are located at both Paradise Island and Cable Beach casinos, Rawson Square, major banks and in most hotels.

ELECTRICITY: With standard North American 120-volt/60-cycle AC electrical current, you will be able to operate American laptops, electronics, hairdryers, shavers and other small electrical appliances without adapters.

GETTING AROUND: From the Lynden Pindling International Airport, taxi rates are approximately \$32 to downtown Nassau, \$22 to Cable Beach and \$38 to Paradise Island (plus the \$2 bridge toll to PI) - based on two passengers (extra bags/passengers will cost more). Taxi service is available from the Atlantis to take you into Nassau to visit tourist areas, restaurants, etc. Shared van rides into downtown Nassau from the Atlantis run \$5 per person (you will be dropped off in downtown Nassau near the Government House), while solo taxi rides run \$13 to downtown with higher rates outside the downtown zone. Unshared rides from downtown Nassau back to the Atlantis are \$13 per person (not including the \$2 bridge toll for taxis to get back to Paradise Island).

Ferry boats (water taxis) can take you between Nassau and Paradise Island while at the same time giving you a waterfront view of Nassau Harbour. Tickets can be purchased at the tour desk at Festival Place and at Woodes Rogers Wharf right next door. Tickets cost \$6 per person (plus a suggested \$1 tip for the storyteller who usually accompanies the ride) and the trip is approximately 10 minutes each way. Ferries leave every half hour on the hour from 9:00 a.m. to 6:00 p.m.

City buses, known locally as “jitneys”, run in downtown Nassau and Cable Beach several times a day. The cost for a one-way ride is \$1.50 per person, and exact change is required. Pay as you exit the bus.

TIPPING: Restaurants and hotels **automatically add 15%** to all food and beverage checks in lieu of gratuity. For exceptional service you may wish to leave something extra. Bellboys, doormen and porters usually receive \$3 per bag. Taxi drivers should be tipped about 15% of the fare.

CUSTOMS: U.S. citizens out of the country for 48 hours are allowed up to \$800 worth of duty-free merchandise. Less than 48 hours, the duty-free exemption is \$200. Limitations include 32 ounces of tobacco for those over 21 and no more than two liters of alcohol. To make traveling easier, consider packing things you’re going to declare separately and keep all your sales receipts.

MEDICAL FACILITIES: Internationally trained doctors are available at the hotels and throughout the Nassau Paradise Island. Two hospitals are fully equipped to respond to emergency medical situations. Princess Margaret Hospital (public) and Doctor’s Hospital (private) are both located in Nassau.
